

## **Lumix<sup>®</sup>**

Trusted Edema Cure & Kidney Protectors

### Description

**Lumix** solution is a combination of different salts & sources of energy to maintain healthy kidney.

### Composition

Each Liter solution contains;

Halite	30 g
Salmiac	100 g
D- Glucitol	250 g
Citrosodine	30 g
Alpha Propylene	100 g
Activator, Stabilizer & Purified Water	QS to 1 L

### Mode of Action

**Halite:** Helps to remove acid toxins from body

**Salmiac:** Helps to balance pH in the treatment of UTI

**Citrosodine:** Helps to dissolve & prevent formation of urate crystals

**Glucitol:** Source of energy during gout or edema recovery period

**Alpha propylene:** Increases solubility & absorption of chemical compounds and reduces microbial load

### Usages

- Helps to remove uric acid from the body
- Plays an effective role in gout prevention
- Keeps the kidneys and ureters fresh & dilated
- Helps to eliminate the toxicity of antibiotics or other drugs

### Dosage & Administration

Poultry: 1-2 ml/liter in drinking water

Pigeon & Pet Bird: 1 ml/liter in drinking water

Cattle: 10-20 ml/ 100 kg body weight

Or, as directed by registered veterinarian/poultry consultant

### Withdrawal Period

Zero (0) Day

### Precaution

Shake well before use

### Storage

Keep away from light & wet place. Store at 30 °C temperature or below. Keep out of reach of children.

### Side effects

Not known

### Presentation

20 ml, 100 ml, 500 ml

**Animal/Poultry feed premix**
